### Description

We present this large Louis XIII winged armchair in its own juice, namely the woodwork part is in perfect condition, the upholstery also seems to be in good condition. On the other hand, the beautiful fabric in which it was dressed has some wear (see photos). Another thing we present in the developed photos of two shepherdesses together (the 2nd in an ad following this one) and that we do it to draw your attention and tell you that there is a possibility of meeting and buying the two together , but they are in fact a false pair and they come from a sumptuous residence.  
Uncommon model. (E)
