

Louis XIV Library

1 700 EUR

Period : 19th century

Condition : Très bon état

Material : Marquetry

Length : 140

Height : 218

Depth : 45

Description

Louis XIV style bookcase in blackened wood veneer opening with two glazed doors in the upper part, paneled in the lower part flanked by a gilded bronze mascaron in their center. Inlays of brass nets on each structural element (uprights, panels) as well as the side panels featuring three panels... Note the magnificent spandrels on the cornice bringing elegance and finesse. Furniture accommodating in all decorations including the most modern!
