The Staircase Of Cristal Lahoche Pannier Paris - Service A, Dessert Napoleon III

600 EUR

Period : 19th century

Condition : Excellent etat (voir description)

Material : Porcelain

Description

Escalier de Cristal - Paris Dessert service comprising 8 plates, 2 cake dishes, and a fruit bowl in polychrome enamelled porcelain with polylobed edges, the basin decorated with an armful of flowers, the east wing on a celadon background, the marli and the edges underlined with gold fillets. Each room is decorated with a different floral decoration. Porcelain painted entirely by hand. Very good condition. I report a little use on the gilding of a plate, and a short hair and small wear on the fruit bowl All the pieces are signed. Napoleon III period around 1860
