

Gold Necklace And Its Emerald

2 100 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Gold necklace formed of a fine chain which retains an openwork motif on the front, adorned with small gold pearls and a pear-cut emerald, held in four claws. The attachment system is a spring ring.

Main material: pink gold, 750 thousandths, 18 carats.

Emerald weight: approximately 0.69 carats.

Proportions: Total length: 41 cm, pattern width: 3.5 cm, pattern height: 2.3 cm.

Net weight: about 4.3g.

Second-hand modern jewel - Very little worn - Excellent condition - Fully checked and controlled - Sold with certificate of authenticity.

Our opinion: sober and elegant, this emerald necklace will sit perfectly on the neckline.
