The photos of the tables when they are presented alone are in the order of the description

The photos (unretouched) show the tables from all angles.

\* De Coene (founded in 1895) was a furniture manufacturer that had its best years during the Art-Deco period. The furniture of this period is very sought after by amateurs for their design and the quality of finish.

The tables are not marked or labeled but are listed in several books on Art-Deco.
