

Drawing Of A Young Lady By Louis Icart

950 EUR

Signature : Louis Icart

Period : 20th century

Condition : Excellent

Width : 36 cm

Height : 46 cm

Description

Charcoal drawing enhanced with blue, pink and white pastel. This "illustrator" artist is well known for his teasing representations. Here, it would rather be a model seated, her hat in front of her knees and boasting you with a mischievous look. Signature lower left.
