Description

Nice group in bronze with green patina of 2 Horses looking at each other by the JED foundry a very beautiful model for this finely chiseled group with a very elegant posture. Each horse rears up and turns towards the other. Original form of the terrace which is placed on a wooden base made to measure. Beautiful dimensions / 37 cm by 29 cm for the terrace and 35 cm in height. Signed, perfect, stamped "bronze" and numbered. A very pretty piece, elegant and very decorative.
