Large animal group in bronze and nuanced green patina, on black marble, signed by the sculptor Irénée Rochard. Beautiful achievement representing two dogs joined, a briard and a shepherd, the head of the second placed on the skull of the first evoking sweetness, protection, benevolence. As often, the sculptor manages to draw a certain feeling from the everyday animals that surround us. Beautiful searched expression and many visible details, meticulous work of a rare presence. The sculpture is in perfect condition, the marble is stained in places, it also has chips on the lower part, both are signed by the artist (bronze and marble). All in good condition, see photos.
