Description

A classy Napoléon III (1852-1871) fireplace-surround. Eclectic style. Good condition. Carrara and soft Brèche Violet marble. The photo's showing a bit bleu in the marble, but the Carrara has NO bleu, it's like Carrara is: White nuances with some soft grey veins. Detached, full round tapered columns. The linteau is highlighted by vivid color panels, it gives a fresh movement to this fireplace. Photo's are taken before the dismantling, fireplace is cleaned now in my workshop. Antique Fireplaces First has authentic decor terra-cotta tiles in the style of this mantel, to finish the foyer.

Foyer (opening) dimensions: 87 cm x 87 cm. / 34.2 inch x 34.2 inch. Will be delivered with old marble floortiles to make a frontfloor. Worldwide shipping. Delivery in
