Description

Pair of paintings representing cows, goats and a donkey near a stream, we can see a village and a boat in the background. Signed and dated 1853 lower right. Original frames in wood and gilded stucco with a cartouche "Laurent de Beul (1821-1872). Belgian School. These paintings are very decorative with their fresh and lively colors, the finesse and realism of the painting are remarkable. Very good overall condition, cleaning and varnishing of the paintings (very small old cracks) and usual restorations of the frames. Delivery possible, please contact us.
