

## Spoon- Peasant Travel Cutlery, Horn And Bone, France 19th Century

160 EUR

Signature : Art populaire

Period : 19th century

Condition : Assez bon

Length : 9cm fermé

Width : 4,5cm

### Description

Pretty pocket cutlery, useful on all occasions, which should be placed in a fabric or leather case, a light and practical object, while being refined, with its folding horn spoon, its bone fork with 3 teeth, his punch-toothpick; bone upper plate is particularly neat, nicely pierced and engraved, object is in fairly good condition and can still be used.

Condition: some traces of moths on edge of horn spoon, plugging of a very small lack of bone on plate. (Red Arrow).

Peasant work from the 19th century, probably Auvergne.....
