### Description

Suite of six Blond Cherry Chairs with seats with slightly convex sides benefiting from an Artisanal Paillage in perfect condition. The backrests consist of a high curved crosspiece uninterrupted by the uprights, thus offering optimal comfort and adaptability to all body types. They are perforated and reinforced by three worked and ringed bars. Each of these Chairs rests on two square section straight front legs, very discreetly molded in the corners, and two Saber rear legs. They are connected to each other by bars: two on each side, a single one at the back and at the front, the latter being carved in such a way as to recall those of the backrest. We will emphasize the great Reliability of these six Chairs, the result of a Solid and Stable structure. We will also appreciate their Sobriety and their very
