Beautiful and rare poster of Jean Marais signed by the artist. This poster was made for a dedication to the wall pass located at 36 rue doyenné in Lyon. He came to sign his book "story of my life" published by Albin Michel on April 8, 1975. This poster is illustrated by Jean Marais. The four violins by Ingres here, available in four colors, evoke the four great passions of Jean Marais (cinema, writing, painting and ceramics). The poster is damaged in one corner and very slightly holed in the center (see photos).
