### Description

Secrétaire from the Restoration period in Burr Walnut and Solid Walnut veneer equipped in the upper part with a frieze drawer opening by two notches below. This piece of furniture also offers a flap made up of four sheets of thick veneer developed in Burr Walnut. When opened, this flap upholstered in green leather with a gilded vignette and central motif reveals a tabernacle equipped in the upper part with a drawer followed by an opening with a recessed shelf and a set of drawers of different sizes. Note, two secret drawers are present at the ends and are unlocked by an interior mechanism. In the lower part of this secretary, two doors whose closure is walnut with lock on the original hook, reveal a shelf and a large drawer that can be locked. The plinth conceals another drawer fitted with four sheets of
