Description

Beautiful bezel that can also be used as a compote in molded and cut crystal, in the shape of diamond points, from the Le Creusot - Baccarat factory. This model is known and appears in the Creusot catalog for the year 1840 (see last photo), under the heading "diamonds bevelled and cut with flat sides". Dating from the 1840s, our bezel is not signed, in fact the trademark having been registered on 29-10-1860. The molded parts will only be signed from 1875. Beautiful realization and very pleasant sound of the crystal. Shipping and protection costs, 20 euros in metropolitan France, other destinations contact us.
