Description

Mebzet (19th century) : "Still life with cat", oil on panel 17 X 24 cm, mounted in a flat silver/golden stick 26 X 35 cm. Like its little sister that we are also presenting, this adorable painting with a naive charm, signed and probably dated and located (the varnish is peeling just on the signature!) presents utensils and dishes on an entablature where a cat has just leapt, attracted by the fish. The luxury of details with the skimmer placed across, the funnel on the bottle, cauldron and new onions is absolutely delightful. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
