

Large Brass Balance Early Nineteenth

580 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Width : 80 cm

Height : 75,5 cm

Description

Superb and large brass scale from the early 19th century. It rests on a square base with 4 small ball feet, the barrel is molded and conical on the upper part finished with a small capital on its top. The large beam supports 2 large plates maintained by rigid arched rods. The central stem is equipped with a steel tip indicating the weight. Quality object in good working order, decorative and original.
