Description

Nice coffee or tea service, in Limoges porcelain. On a white background, our decoration is composed of multiple small polychrome bouquets made up of two flowers, alternating with a flower stem made with fine gold. The upper part of our jug, as well as the edge of the lid, are embellished with a large light blue frieze. The fretel of the lid, the pouring spout, the handle as well as the foot of our porcelain are embellished with gold fillets. This Art-Deco service includes a jug, a sugar bowl, a milk jug, twelve cups and saucers, all in perfect condition. It comes from the Lucien Michelaud factory. (Manufacture sold on May 1, 1962 to Messrs. Jammet and Seignolles.) . Dimensions: jug: height 19 cm width of spout at outlet: 22.5 cm depth at body 16 cm milk jug: height 11.5 cm width of spout at outlet: 12 cm
