Description

Initially, this plate was part of a lantern from which we separated the plates because we do not have all the elements of this lantern. It was hand painted on glass. It is surrounded by iron wood. Everything is from the 19th century, beautifully crafted. It can be positioned on the wall or in a display case as an object of curiosity. For the state, note scratches, small stains at the top right, friction on the edge of the glass due to the frame. For the state thank you for detailing the photos. Feel free to zoom. The photos are an integral part of the description. Dimensions: - Frame Height: 27 cm Thickness: 1.7 cm Width: 13.8 cm - Plate Height: 25.2 cm Width: 11.7 cm C4253
