Height : 22 cm

Description

Portrait of Sacha around 1930

Already bewitching this face with a voluntary gaze on a barely sketched background.

Sacha..., in his thirties, posing three-quarters, his face almost in profile, his shoulders straight, barely leaning, in a relaxed pose. The dark suit and the tie bring out the complexion of this well-shaven, slightly tanned face, barred by a well-defined mouth and a determined gaze.

HSC 27 cm x 22 cm

TBE.

An inconsequential stain on the back at the top
