Description

Exceptional painting representing the heights of Cauterets in the Pyrenees. Located at the rear on the frame. Signed in front by the artist to be defined? Extraordinary pictorial technique reflecting the details and colors and light on the mountains! Superbly brushed and removed by the artist giving it incredible depth and visuals! Format with its golden frame of 75x60 cm and 62x47 cm without. Very decorative oil that could have its place in a mountain chalet or a Pyrenean gîte! Or others for lovers of these mountain ranges! Do not miss ! In very good shape ! Origin Bordeaux castle!
