

## Japan XIXth Century. Kazuka Five Shibuichi Knives

360 EUR

Period : 19th century

Condition : En l'état

### Description

Suite of 5 knives, Japan for export to Europe  
They date from the end of the 19th century, each  
blade is signed. The handles are made of  
Shibuichi, an alloy of copper and silver partially  
gilded, each is double-sided, and decorated in  
relief with a different decoration..... Dimensions:  
approximately 21cm including a 10.5cm blade.  
The set is in good condition, with wear and small  
deformations, the blades are complete, one is  
separated from the handle. Japan, circa 1900
