Description

Black engraving under glass framed : "Le Midi ",
or the ode to seduction...

After PARROCEL

" Le midi "

"While the sun sets these climates on fire, and
that on all sides, the air seems without clouds,
Under these elm trees, shepherds, you find shade,
you take there in the cool, a rustic meal.

But delivered to the looks of these young
shepherdesses, How with a sacred fire, do you
defend your hearts?

Everywhere Love triumphs, and one could
hardly, near so many lures, avoid its ardors".
