### Description

Child's chair in solid cherry wood with a slightly curved openwork backrest completed with turbulent crosspieces. Wide armrests are connected by a removable shelf on one side, embellished with a wooden locker. The natural straw seat is in excellent condition. In the lower part we find a footrest connecting the front legs, concave in shape, widening downwards for great stability. The rear legs are inverted saber shape. This high chair will seduce you with its quality and authentic style. \*\*\*\*\* Period: Late 19th century Excellent condition. Waxed finish.
