

Paint . Cow . Signed Chrisdan

280 EUR

Signature : Chrisdan

Period : 20th century

Condition : Bon état

Material : Oil painting

Width : 100cm toile

Height : 81cm

Description

This important work signed Chrisdan represents a cow and the farmer in a meadow. The artist has treated this genre scene very well in the modern way of the 1960s. The color palette is superb. There is a renowned artist who signs his paintings Chrisdan; but I don't know if he is the author. Some restorations; not visible (photo). frame slightly cracked lower left.
