

Chinese Porcelain Dish From China For Export. 18th Century.

1 200 EUR

Period : 18th century

Condition : Bon état

Material : Porcelain

Length : 38 cm

Width : 31 cm

Description

Chinese porcelain dish, scalloped edge, decorated with enamel flowers of the "rose family". 18th century Chinese work made for export to Europe. It should be noted that the design of the flowers is of good quality with meticulous details, which is rarely the case on Chinese export porcelain.
