Description

Mantel mirror with large gilt wood frame molded in ogee. It is embellished, particularly at the upper corners, with shells, foliage and palmettes in relief. Falls of scrolls and foliage adorn the lower corners. The latter are flat in order to allow, as desired, the good stability of this mirror on a fireplace or on a piece of furniture. Note that a hanging ring is also present on the back of it. This item is dark with mercury glass in excellent condition. You will appreciate this mirror for, among other things, its ideal dimensions and its finely carved decorations. ******** Period: Early 19th century Excellent condition. Delivery possible, in France and in Europe, by our partner specialized in the transport of furniture and works of art. Dimensions: Height: 101 cm Width: 80 cm Depth: 6 cm Ref: 290922
