Description

Very beautiful spindle vase decorated with eucalyptus branches in thick marmoreal acid-frosted glass in shades of ochre/orange and purple. Finely enamelled rotating decoration of flowers and eucalyptus leaves falling from the collar, typical of the Art Nouveau style at the turn of Art Deco. Very beautiful and rich colors enliven this beautiful vase with naturalistic decoration. A particularly successful combination of colors, fine enamelling and an original shape - the tapered square neck with rounded corners and the round base. Signature on the belly "Muller Frès Lunéville" in black enamel. Height: 21.6 cm Very good condition. Many other objects to discover in my stand at the antique fairs in which I participate.
