Beautiful object, turned boxwood, the seal part engraved of a Radiant Delta in the name of Yahveh surrounded by laurels, down, two initials: FT.

This delta Radiating from the biblical tradition, (meeting with Moses) later taken up by Christianity, was also adopted by the Masonic lodges of the East, Scottish tradition, except for error or misinterpretation of my research.

It seems that this seal is from Masonic lodge, early 19th century,

Boxwood is beautiful treen, practically no flaw.
