Description

Very nice terracotta dish. Round shaped, it is decorated in its center with a drinking scene outside, 3 men drinking and laughing in the middle of the trees, while a woman serves them, and a dog waits, seated. Above them the flight of two wild ducks. The dish is completely painted black. On the back, in a cartridge in the form of a ribbon, the mention "after Teniers" and bears the number 47.
Very good condition, however some clearly visible lack of black paint and a very small chip on the border on the back, well mentioned. Please look carefully at my detailed pictures. English working, dating from the middle or second half of the 19th century.
Dimensions: about 27cm Diameter. H 3.5cm
