

Bronze And Crystal Cup On A White Marble Base, 19th Century

2 200 EUR

Period : 19th century

Condition : Parfait état

Diameter : 25.5 cm

Height : 21 cm

Description

This little putto is much tougher than he looks! Like an Atlantean, he wears on his head an imposing Corinthian support itself supporting a cut crystal cup. Straight, it doesn't seem like too much of a burden for this little putto that stands on its marble plinth in a slight contrapposto; a way to give a little flexibility to this elegant decorative art object.

Worldwide delivery.
