Description

The great English pottery was born in 1815 and diversified its productions by approaching the traditional places in Great Britain that is Staffordshire. Supplier of works for the whole of Europe, the illustrious factory was even the creator of the sinks of the Titanic ...without sinking. The lid of the tobacco pot decorated with a magot smoking a pipe has a silver strapping on a polygonal body enamelled with marbling. Its little Asian side gives it a certain originality and it is lucky to be intact. Free shipping for France.
