Description

You think it's normal for a sprite to slide his hand underneath... and exert himself with all his weight to... push or hold the pipe pot. The crowned monkeys on the edges do not stop giggling with their mouths open. unless they are beasts, monsters or grotesques... which have the same Nothing to say about the other walls where a feathered hauberk adorns a shield. famous coat of arms, perhaps. So it's a snuff box, today, a politically incorrect object... The courageous elf bears the mark of time on his cap and a few scratches show the age of this terracotta of Teutonic origin. and the photos show them all.
