Pair Of 60s Armchairs

2 600 EUR

Period : 20th century

Condition : Parfait état

Material : Other

Width : 75

Height : 79

Depth : 72

Description

Pair of ball armchairs from the 60s on an aluminum tulip foot. The seat is rotating and has the particularity of returning to its place, whatever the position of the seat, which is quite rare and very pleasant. These are very comfortable seats whose taupe fabric has just been installed by my upholsterer. The cushions are filled on both sides.
