Description

Very beautiful work of folk art signed "Lanau 1911". Presenting with very beautiful carvings of laurel leaves, oaks, acorns, garlands, canons etc. This work is an extraordinary work of sculpture. It presents a very beautiful quality of ornamentation and a craftsmanship of a beautiful mastery. The bronze medallion in the center features a profile portrait, whose initials 'AB' did not allow us to identify the person. The cannon patterns at the bottom suggest that it was a military figure. The work is in excellent condition.
