

Wall Lamp Design 1960 Brass And Fractal Resin

1 800 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Width : 29cm

Height : 84cm

Depth : 15cm

Description

Surprising wall light from the 1960s in brass and orange-yellow fractal resin. Lit by two bulbs on either side, it diffuses a wonderfully warm light. Presented here vertically, it can also be positioned horizontally... Very good general condition, but a small repair behind one of the clamps...almost invisible!
