Description

Beautiful large zoomorphic iron lighter, I did not find this model precisely in documentation, it must be rare.Percussion hammer is a steel sole under body of bird, the ember tongs open on beak by a long spring-loaded lever, nicely engraved and ending as a dragon's head. A central ring with chiseled head allows hanging. Ergonomic, thanks to its size: 14cm x 3.5cm x 1cm: size of hollow of a hand,Condition: no flaw, old patina with no trace of rust.Sorryly, I am not a specialist, please excuse me for not being able to tell you more, particularly on the geographical origin.Take a good look at our photos.....This item is for immediate purchase, payable by credit card or paypal. - eclectic - antique dealers since 1970, Siret: FR 24.430113233.
