

Set Of Antique French Gilt Bronze Candlestick, Candle Holder, Candelabra With Glass Icicles

1 250 EUR

Period : 19th century

Condition : Très bon état

Height : 34.5 cm

Description

This candlestick is multifunctional! It can be used as a single candle holder. But also as a candleholder of four candles!

It is built on a sturdy gilt bronze base that is decorated with leaf motifs. The slender upright is ribbed and provided with exceptionally good gilding. It is then possible to place a candle in it directly or use it as a holder for the branch to the four-armed candlestick. These arms are fitted with facet cut glass.
