Description

Quite singular travel and toiletry kit for automobil car with a large pocket watch in its detachable magnifying case and its removable detachable mirror. the bottles are probably Baccarat crystal with a starry underside and solid silver mounts hallmark neck brace and marked Tonnel Paris, vaporizer apparently functional.

the watch measures 55mm and works, I think it lacks its glass and its bow.

Period around 1890-1910, monogrammed.

delivery possible by registered colissimo with insurance and delivered against signature for:

France 25EUR

Europe 45EUR

Rest of the world 80EUR
