Description

Very beautiful original terracotta, representing a woman, arms in the form of candlesticks.

The artist's name is Vadim Androusov. Born in 1895 in St. Petersburg, he arrived in Paris in the 1920s and studied at the Grande Chaumières, with Bourdelle as his teacher.
His first sculptures were inspired by characters from Antiquity.
The artist rarely uses bronze, preferring terracotta, wood, stone...
He regularly exhibited at the Salon des Tuileries.
