

Portanier, Very Large Dish With Face In Profile

1 550 EUR

Signature : Portanier

Period : 20th century

Condition : Parfait état

Material : Earthenware

Diameter : 41 cm

Description

Magnificent dish by Gilbert Portanier expressing the ease of his pictorial work. We guess here a profile of an imaginary being, traced with lightness and poetry. This large dish reveals all the talent of this artist who wanted to be a painter and who found ceramics as a means of expression.
