

Bag Of Marbles, 19th Century Childhood Dream, Hard Stone And Marble

240 EUR

Signature : Art Populaire

Period : 19th century

Condition : Bon, mais le filet est à repriser

Diameter : 40mm

Description

In their knitted cotton net, unfortunately well worn, from the 19th century, there was this set of balls, of large diameter, (the caps of my childhood) these are made of hard stone, marble, striated wood, and leather.I couldn't resist. The balls are beautiful, not shocked or cracked, the wood and the leather a little less. Take a good look at our photos..... the biggest: 40mm in diameter. This object is for immediate purchase, payable by credit card or paypal. Insured shipping: EUR10 either for France, - eclectic - antique dealers since 1970, Siret: FR 24.430113233. Invoice and Certificate are attached to each of our shipments.
