### Description

Very beautiful work by Prince Georges Ebrin ADINGRA (1933-2005). It is an oil and sand on canvas, signed and dated 77 in the middle right. The work measures 81 x 60 cm (84.5 x 63.5 cm with its frame). Georges ADINGRA, Prince of Kinjabo in Ivory Coast, was born in 1933 in Adou. He began by studying philosophy at the University of Abidjan, but his love of Art led him to study Fine Arts in Marseille. His work is a synthesis of Western cubism mixed with his African roots: he carves, collects and mixes colors and techniques (sand, powder, etc.), to give life to images of African life. His work has been exhibited in Europe, Africa and the United States and a book was dedicated to him in 1990. Free delivery in Paris possible.
