Description

Very nice speckled mahogany desk with side pull tabs from the haentges house in PARIS. The leather of this desk has been changed to a full-grain tan leather and engraved with an old-fashioned wheel. It is of course double sided.

We present it with its cane seat from the same Haentges house (we point out a slight caning accident in the backrest). Seven drawers with pull rings on the front. A very good quality of cabinetmaking for this piece of furniture entirely mounted on an oak frame. DIMENSIONS:
