Provençal Mirror From The Regency Period

9 800 EUR

Signature : Jacques Bernus(1650/1728)

Period : 17th century

Condition : Très bon état

Width : 110cm

Height : 170cm

Description

Mirror in carved and gilded wood from the Regency period surmounted by a harmonious openwork pediment representing adoring angels escaping from scrolls coming intertwined with a vase containing a bouquet of flowers. Provençal work from a private mansion in Avignon, this mirror is attributable to the sculptor Jacques Bernus who, by the remarkable quality of execution of his works, was repeatedly requested in Comtat Venaissin. This mirror is presented in its original condition, the gilding and the mercury mirror are vintage and in excellent condition! Dimensions of the sight mirror: 90/68cm
