Carved Wood Mirror

220 EUR

Period : 18th century

Condition : Assez bon état

Material : Solid wood

Width : 57cm

Height : 60cm

Description

This mirror, in wood carved with an eagle on the pediment, grapes and vine leaves, is in fairly good condition, despite some small restorations (the back plate has been replaced, small collages, etc.), I think it is a French work from the 18th century.
