Description

Exceptional large pair of cherubs H130cm (cherubim, putti, angel) in carved wood and gilded with gold leaf, from the 18th century. Height approximately 130 cm from the foot to the candle stick. The gold leaf is original, I have made some minimal leaf restorations in the traditional way (in distemper) beautiful old patina. The craftsmanship of this pair of winged cherubs in wood gilded with gold leaf, suggest a noble production from central Italy. 3 new supports on each angel which allow them to be fixed and presented well. I can provide the old ones. These are superb and rare antiques especially in these dimensions. Delivery possible throughout France Quote on request I will inform you at 0687403184
