

Statuette - Dogon / Mali

1 200 EUR

Period : 20th century

Condition : Très bon état

Width : 15cm

Height : 36cm

Description

This female statuette in gray wood has a soft light patina tending towards white, giving it a special look. The prominent chest associated with the scarified hairstyle of this figure gives it a certain stylistic interest. Note also the 3 vertical scarifications on each side of the face, parallel to each other and down to the bottom of the cheeks.
