Very beautiful cage chandelier in a rare ovoid shape, with six bronze sconces and cut glass pendants. A central bulb concealed by a dome of faceted pearls and olives illuminates an opalized glass plate carved with a star visible under the chandelier. Another bulb whose socket is masked by 4 acanthus leaves and the plates harmoniously illuminates the upper part. This richly decorated luminaire with 6 levels of plates, adorned with rosettes, pendants and pearls, lit in total by 8 lights, captures and returns the light with the most beautiful effect.
