Ostrich Egg On Exotic Wooden Stand

100 EUR

Period : 20th century

Condition : Très bon état

Material : Solid wood

Diameter : 13

Height : 23

Description

Ostrich egg (emptied of course!!) from the 70s. To make it a decorative object, it was placed on a support, in exotic wood, carved by hand by a craftsman. Very simple, very natural, symbol of the origin of life, this object will bring a very special touch to your decor. With its pure color, it has a very chic effect! There are 9 available Dimensions: - Total height: 23 cm - Diameter: 13 cm Weight: 0.4 kg Delivery possible in France and worldwide
